Luther Manor Continuing Precautions Related to COVID-19

May 7, 2021 4:41 pm

The safety of our residents and staff remain our top priority and we will continue with our protocols, precautions and daily screening of staff and all Health Care Center and Assisted Living Residents.

Visitor protocols and regulations continue to evolve, so please read on and stay tuned for the very latest.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to evolve. Our Sharing God's Love team has been instrumental and is here to help you share encouragement with residents and our staff. Just email SharingGodsLove@LutherManor.org to get started. If you have any questions please let us know.

Sharing God's Love

- **Thank you, Eleanora Markwald from Menomonee Falls once again** for the fun care package. Your consistent giving is a blessing and very appreciated. This care package is going to our Mother's that have outlived their families this weekend!

Campus Update

- We are excited to announce that we are starting a new COVID-19 vaccination program partnership in a couple of weeks. The program will be administering the Moderna COVID-19 vaccine first and second doses through our partnership with Health Direct. These will be administered at no charge to the resident or staff member receiving them. We will coordinate the second vaccination no sooner than the proper 28 day time parameter. All new resident vaccinations will be signed off by the resident unless their power of attorney has been activated and all employees will get their vaccine forms from Human Resources. If you are helping your loved one or you are the medical power of attorney, please complete the attached form and return to our Infection Control Nurse Karen Yust via email at kyust@luthermanor.org. I have also included an educational piece on the Moderna vaccine that will help you make an informed decision.

Through our partnership, we will schedule ongoing vaccinations as long as we have a required 2nd vaccination occurring or once we have a combined total of 10 residents and/or staff members. Please let me know if you have any questions and thank you for doing your share to help keep everyone as safe as we can while a threat of COVID-19 still exists.

- Reminder for anyone taking a loved one out for Mother's Day, we have changed our process so that you can now escort your loved one back to his or her apartment to say goodbye. Anyone visiting or taking a resident out on any day

LUTHER MANOR

A Life Plan Community

still needs to screen in and print a visitor name badge at an approved entrance before doing so. Thank you for your continued support and partnership on your loved one's care and well-being! Happy Mother's Day to all!

Campus Happenings

- For those of you new to this update, we have been doing a morning prayer and COVID-19 update on our in-house television channel affectionately called Luther Manor TV for the residents and staff every Mon. - Fri. at 9:30 am since COVID started last year. We started initially with the opening prayer and added the closing prayer at the end of each update a few months in. We feel it's working!), yet welcome each and every one of you to join us each day at 9:30 am and say these to yourselves. We have faith we are coming out of this stronger and hope you feel so too! **Keep the faith!**

MORNING OPENING PRAYER * 9:30 am Monday-Friday

We pray to you, Almighty God, in this time of the Coronavirus. You are our refuge and strength, a very present help in time of trouble. Do not let us fail in the face of this evolving event. Uphold us with your love, and give us the strength we need. Help us in our confusion, and guide our actions. Heal the hurt, console the bereaved and afflicted, protect the innocent and helpless, and deliver any who are still in peril; for the sake of your great mercy in Jesus Christ our Lord. Amen.

MORNING CLOSING PRAYER

Loving and compassionate God, you are our comfort and strength in times of sudden disaster, crisis or chaos. Surround us now, O Lord with your grace and peace through crisis. By your spirit, heal those that are ill, sustain those that give care, give peace to the lonely, console, rebuild and fill us with the hope of your new creation; all through Jesus Christ, our Lord. Amen.
