

**May 26, 2021 4:55 pm**

The safety of our residents and staff remains our top priority and we will continue with our protocols, precautions and screening of all staff, visitors upon arrival and all Health Care Center and Assisted Living Residents.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to improve in our Country. Well before COVID-10 started the opportunity to stimulate our seniors has been a need, especially those short on family! Our Sharing God's Love team has been instrumental throughout COVID and remains here to help you share encouragement with residents and our staff doing a great job. Please email [SharingGodsLove@LutherManor.org](mailto:SharingGodsLove@LutherManor.org) to get started. If you have any questions please let us know.

## Shout Outs of Thanks!

- **Thank you once again, to Lindsey and Tray Black! Lindsey is the granddaughter of Courtyards Resident, Inga Harwick and the Black's** continued donations allowed us to celebrate Pentecost (means 50 and is, you got it, 50 days after Easter). Because the holiday's liturgical color is red, to symbolize the apostles "tongues of fire" and also the blood of martyrs, sometimes Christians will dress in red or decorate churches with red. Many churches hold baptisms and confirmations on that day, as well. We were able to bring a little joy (ok, some real emotion) to our residents with these red carnations. What a splendid way to celebrate the descent of the Holy Spirit on the disciples of Jesus after his Ascension. I can feel them speaking in tongues just from the pictures!

## Campus Happenings

- If you come for a visit and notice an orange cone blocking empty visitor parking spaces at the Health Care Center entrance, please feel free to remove the cone and park in the spot. During the heat of COVID when no visitors were coming and most of our entrances were closed, we offered these front spots to our staff. With restrictions lifted, the habits of the past 14 months have been hard to break, so the cones are reminders for our staff to not park in visitor spots. We will keep these cones in use for the next week until we can make sure all staff know. But in the meantime, they are on hold for you, our residents' friends and family!
