Luther Manor Continuing Precautions Related to COVID-19

June 23, 2021 4:53 pm

The safety of our residents and staff remains our top priority! As of right now, there are no changes with our protocols, precautions and screening of all staff and visitors upon arrival, as well as all Health Care Center and Assisted Living Residents.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to improve in our Country. Well before the COVID-19 pandemic started, the opportunity to engage our seniors has been a focus, especially for those who are short on family! Our Sharing God's Love team has been instrumental throughout COVID and remains here to help you share encouragement with residents and with our staff who continue to do a great job. Please email SharingGodsLove@LutherManor.org to get started. If you have any questions please let us know.

Sharing God's Love

- **Thank you, Network Health and their representatives led by Kelli Vanderwielen** who brought super soft fleece blankets and care packages that included hand sanitizer, wipes, thermometers and other goodies. These will be so appreciated by our residents!

Campus Happenings

We have heard it has helped many and want to make sure we keep it relevant, all while respecting your valuable time! Thank you in advance for that time in completing this survey!
