

Luther Manor Continuing Precautions Related to COVID-19

June 4, 2021 4:43 pm

The safety of our residents and staff remains our top priority and we will continue with our protocols, precautions and screening of all staff and visitors upon arrival and all Health Care Center and Assisted Living Residents.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to improve in our Country. Well before the COVID-19 pandemic started, the opportunity to engage our seniors has been a focus, especially for those who are short on family! Our Sharing God's Love team has been instrumental throughout COVID and remains here to help you share encouragement with residents and with our staff who continue to do a great job. Please email SharingGodsLove@LutherManor.org to get started. If you have any questions please let us know.

Campus Happenings

- We are extremely excited to start the process of welcoming volunteers back to Luther Manor. We are starting out slowly because there is a ton of administrative work to be done such as needing verification of the COVID-19 vaccination, flu shots, TB screenings and training on the various COVID-19 precautions. We will let everyone know once we are actively recruiting new volunteers and/or opening up more existing volunteers.
- With the nice weather finally consistent and safe from frost overnight, we planted tomatoes, peppers and lots of flowers... beautiful geraniums!!! Our Courtyards residents' Arthur, Arlene and Lucille among others had a blast! Even with the heat our mature grounds offer plenty of shade!
