## Luther Manor Continuing Precautions Related to COVID-19

June 9, 2021 5:08 pm

The safety of our residents and staff remains our top priority and we will continue with our protocols, precautions and screening of all staff and visitors upon arrival and all Health Care Center and Assisted Living Residents.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to improve in our Country. Well before the COVID-19 pandemic started, the opportunity to engage our seniors has been a focus, especially for those who are short on family! Our Sharing God's Love team has been instrumental throughout COVID and remains here to help you share encouragement with residents and with our staff who continue to do a great job. Please email [SharingGodsLove@LutherManor.org](mailto:SharingGodsLove@LutherManor.org) to get started. If you have any questions please let us know.

### Sharing God's Love

- Thank you, Terrace Resident Sharon Novak-Tym's great-niece, Kaitlyn Serketich and her boyfriend, Brandon Michaud, who put on a performance Sunday, June 6th, for the Independent Living residents near the Terrace pond.

## Campus Update

- My update on Monday asking for your understanding and kindness when visiting Luther Manor created the most commentary since early in the year and we are very grateful for the support and help in creating the best and safest environment for everyone that touches Luther Manor! There were a couple of questions that are also great, plus a suggestion to reshare all the visit guidelines. With that said, please take a look at the attached visit guidelines for each area if you are new to Luther Manor or forgot since we last shared these. As always there will be copies of these guidelines at the respective program area entrance and screening stations. Thanks once again for being considerate to our staff when they are trying their best to consistently ask everyone to help us follow our regulations and keep us all safe!

## Campus Happenings

- We are actively looking for a beautician to replace ours who left unexpectedly. We do have the Courtyards and Terrace services covered, but are working through temporary options for the Health Care Center and River Oaks while we are recruiting. Of course if anyone knows of a referral we will gladly take them. We apologize for this inconvenience for your loved ones!
