Luther Manor Continuing Precautions Related to COVID-19

June 25, 2021 4:49 pm

The safety of our residents and staff remains our top priority! As of right now, there are no changes with our protocols, precautions and screening of all staff and visitors upon arrival, as well as all Health Care Center and Assisted Living Residents.

Thank you for your support, partnerships and commitment to our residents and staff as the pandemic continues to improve in our Country. Well before the COVID-19 pandemic started, the opportunity to engage our seniors has been a focus, especially for those who are short on family! Our Sharing God's Love team has been instrumental throughout COVID and remains here to help you share encouragement with residents and with our staff who continue to do a great job. Please email SharingGodsLove@LutherManor.org to get started. If you have any questions please let us know.

Campus Happenings

- Thank you to everyone who has completed our survey regarding the COVID-19 evening updates that will help shape our future communication strategies to keep you informed. The information has been invaluable! If you completed the survey saying you were interested in receiving our other periodicals either via email or US Mail and did not include your contact information, please let me know. If you shared other items for my consideration/suggestion I would appreciate it if you reached out to me personally, so I can help see those through, as I do not have any contact information to follow up with you. If you have not completed the survey yet, [here is the link](#) to make your opinion count.
