

Luther Manor Weekly Happenings and Updates

July 7, 2021 4:31 pm

Let's not forget the greatest generation beyond your immediate family! Looking for a way to continue to support seniors outside of your loved ones, please continue to email SharingGodsLove@LutherManor.org with your encouragement or if you think of other ways you can make a difference. Time, talent and treasure continue to come to mind as we are often asked "what can I do?". Think through those opportunities, act on them with us and you will make a huge difference!

Campus Updates

- We have opened up our Life Enrichment activities for the entire campus to allow for more residents to participate. We are ensuring all residents are still 6 feet apart and remain masked. We are also opening up our Faith and Education Center to allow for residents from all areas of the campus to attend at the same time. We are excited to increase our worship services and increase our resident's ability to attend services.

Holidays

- Independence Day 2021 had a little different kind of Independence from last year. With COVID-19 restrictions lightening up our Terrace Singers were able to perform from our Faith and Education Center for the holiday. We have re-played this mini concert several times on Luther Manor TV since last week and are excited to share this with all of you. [Click here to watch it!](#)

The brief readings from the hearts of our Seniors, many of whom served our Country in the Armed Forces makes this even more special. Enjoy!

Reinforcing our Faith-Based Mission

- Luther Manor celebrated our 60th anniversary in June and to commemorate it we are hosting a 60th Anniversary Flag Raising next week Tuesday (July 13th at 1 pm).

Join us on Facebook Live, as Suzanne, our longest serving employee (45 years) and Marge, a 103 year-old resident that was at the ground-breaking ceremony in 1959 (in the photo below wearing the pinkish coat with the black fur collar) will help us raise our Diamond Anniversary Flag.

LUTHER MANOR

A Life Plan Community
