Luther Manor Weekly Happenings and Updates

September 1, 2021 4:45 pm

Campus Updates

- Tomorrow, Thursday, September 2nd from 1-3 pm, the Wauwatosa Health Department will be back at Luther Manor to provide the COVID first and/or second Moderna vaccine to residents, staff, family or friends for FREE. Please spread the word and if possible contact myself or [Karen Yust](#) to sign up so we can let the Health Department know how much vaccine to have on hand. Please contact your loved one's social worker if you would like for your loved one to get vaccinated. It's not too late to let us know or even just show up at our Faith and Education Center. We have a fair number of new residents and staff members being vaccinated and would love to have even more.
- You may have heard that the State of Wisconsin is offering \$100 to anyone getting their first vaccination between August 20 - September 6. Find details and the form to complete on the Wisconsin Department of Health website <https://www.dhs.wisconsin.gov/COVID-19/100.htm>. Take advantage of this vaccine offer and get your \$100.
