## Luther Manor Weekly Happenings and Updates

November 2, 2021 4:47 pm

### Campus Updates

- We wanted to give you an update and let you know that our phone system did come back up and appears to have remained stable. We are now able to receive calls through all of our numbers and make all phone calls as well. Please know that the automated attendant that allows for dialing by name is still down when you call in to our main phone number.

Thank you for your patience while we worked through these issues!
