Campus Updates

- A member of the Luther Manor facilities team tested positive for COVID. Contact tracing is complete and five staff members are being monitored for symptoms. No residents were in close direct contact with this person.
- We were just informed that Luther Manor will hold two COVID vaccination clinics in February, with the first one next week Tuesday. Please let me, your loved one's Nurse Manager or Social Worker know if you are interested in having your family member vaccinated. We will be able to administer vaccines for residents who want the 1st, 2nd or the booster vaccine. The dates are as follows:

Tuesday, February 1

Tuesday, February 22
